

Are you looking for GREAT Support Workers?

Make Your Life GREAT!

Allow us to introduce you to a wonderful team of people who genuinely care and are well matched to your needs.

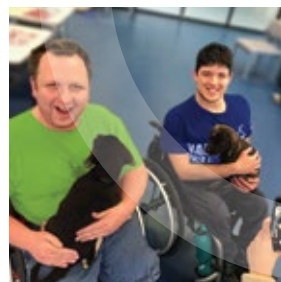

Let us show you what GREAT support really is.

See what our participants have to say... our reviews speak for themselves.

"They have lived up to their name and have been genuinely committed to helping our son achieve his goals" Rose

"They keep in contact with us regularly to make sure we are happy and are quick to respond if we have concerns." Mohammed

"The only provider able to put a team in place that are so wonderful and suited to our daughter."

Elissa

Who We Are

Our Directors have backgrounds in Education, Special Ed, Nursing, are experienced support workers or parents of NDIS recipients.

Together, we understand the kind of struggles and issues that NDIS recipients experience, the qualities required in a great support worker, the way to plan to achieve your NDIS goals, and how vital good communication is in the process.

Let's Get Started

Our Team Makes Us GREAT!

We know what it takes to make your life easier.

The support YOU want. At Great Disability Support we focus on providing quality support workers that meet YOUR needs and expectations.

Getting to know YOU. Our team managers take some time to get to know YOU, what YOU need, and to understand what YOU want to achieve.

Working with YOU. We support YOU to enjoy the freedom of accessing the community and living in the way that YOU would like.

Keeping in touch. We feel it is vital to have regular contact with YOU as we work together in the pursuit of YOUR goals and dreams.

Our focus is YOU!
